

****MINUTES OF MEETING****

****Date:**** 25 April 2026

****Time:**** 3:30 PM

****Venue:**** UG Club House

****Agenda****

To deliberate on financial audit, infrastructure development, maintenance efficiency, and facility enhancements.

****Key Deliberations & Resolutions****

1. ****Financial Audit****

The committee reviewed the status of financial records, including receipts and expenditures up to November 2025 and subsequent expenses through March 2026.

It was unanimously resolved that a comprehensive audit report be prepared and presented to ensure full transparency, compliance, and financial discipline.

2. ****Boundary Wall Enhancement****

The proposal to increase the height of the boundary wall was approved to strengthen perimeter security.

Work has already been undertaken by the builder and is under progress.

3. ****Installation of Pressure Pumps****

Approval granted for installation of pressure pumps across all residential blocks.

Pumps are already installed in the UG complex and will be installed in the remaining blocks within ****60 days****.

4. ****Beautification of E & F Blocks****

Landscaping and aesthetic enhancement of E & F Blocks approved.

A structured execution plan will be developed and implemented by the builder within ****60 days****.

5. ****Demarcation of Entry Points****

Clear identification and marking of entry points for E & F Blocks approved to streamline access and movement.

6. ****Roof Top Grouting****

Ongoing grouting work across rooftops was noted.

The builder has agreed to complete the task within ****60 days**** to mitigate seepage and ensure structural durability.

7. **Drinking Water Treatment**

Installation/upgradation of drinking water treatment systems approved to ensure safe and hygienic water supply.

8. **Speed Regulation Measures**

Installation of speed limit signage within the premises approved.

To be completed by the builder in **30 days**.

9. **Parking Allocation**

Parking areas will be formalized with fixed allocations mapped to respective flat numbers.

Timeline: **30 days** by builder.

10. **Installation of Light Posts**

Approval granted for installation of two additional light posts behind the guest parking area.

To be completed within **30 days** by the builder.

11. **Membership Drive**

A formal notification will be issued to initiate a membership drive for all allottees in preparation for upcoming society elections.

To be done by current office bearers.

12. **Clubhouse Enhancements**

- Installation of an Aquaguard system approved.

- Ceiling fans to be installed (supported by DG backup) for functionality during power outages.

To be executed from society funds.

13. **Children's Play Area**

Development of a dedicated children's play area with outdoor recreational facilities approved.

14. **Surveillance System**

Installation of CCTV cameras across the premises approved to strengthen security and monitoring.

15. **EV Charging Infrastructure**

EV charging points to be installed with a prepaid usage mechanism.

16. **Maintenance Service Levels**

All routine maintenance issues must be addressed within **24 hours** to ensure service efficiency and resident satisfaction.

Conclusion

The meeting concluded with a collective commitment to timely execution, accountability, and quality implementation of all approved initiatives.

****Action Points****

- Concerned committees/teams to initiate execution immediately.
- Progress to be monitored periodically with defined accountability.
- Updates to be presented in the next review meeting
